It's so scary forget it...I'll go back to my room...
Shudder
But that's so rude. Usually someone would come running when I called them.
Taishi must be doing it on purpose, telling everyone not to listen to my orders.
He must be angry at me for what I did earlier to ignore me.

AH...
AHHHHH!

AHH!
NOOOOOO!
What? What was that thing?
I hate this! Nooo!

Calm down.

It's okay now.
You are...
From yesterday?
I am Yoshikatsu.

Why are you here?
Nothing. I was going to see your father, so I was at the door waiting to be let in.
But I don't know why
Do you know what happened?
...I don't know...
no one's around when I came into this room...
I don't know
anything at all...
Shoulder
Shoulder

I'm sorry for asking such an irrelevant question
that scored you...
even in this study room I gave to your father.

I'm sorry.

Please don't cry,
Alana...

So please don't show me that sad face of yours...
S-
Sorry!
Please don't misunderstand. I don't blame you! I'm just scared, that's all.
If you're upset...
I'll be upset too...

I'm alright...
Please don't be sad...

Crackle
Crackle
What was... that thing?
You've finally calmed down
I can relate to that incident ...
Who knows ...
even I don't know...
And I could never understand why it's so strange...
I never found anything suspicious in this room before...

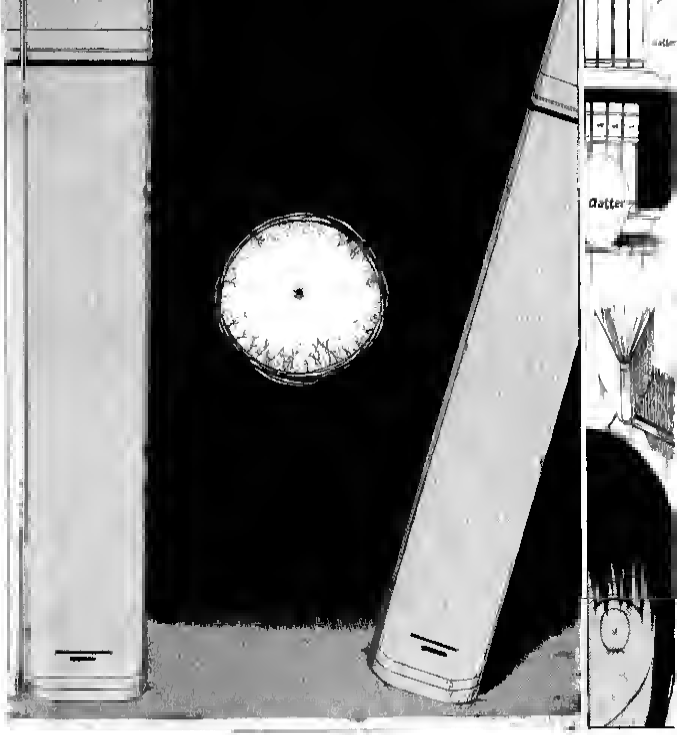
What's happened?
It seems we have to get to the bottom of this...

I must find the whereabouts of your parents!
After all, it is my responsibility as the previous owner.
I'm sorry Alana, but you must stay here for the time being.

Father...
Mother...
could have just...
left me here all alone...
Besides, I'll always be abandoned.
Even Taishi is with them,
taking everyone with him.
This is no different...
What are you saying, Aiona?
Don't say such a thing.

get abandoned every single time..?
That's right.
Don't I always

Don t worry.
We ll get this sorted out.
clatter



clatter

AHHHHH!

Flomp
Flomp
Flomp
No...
Don't...

Please leave!
You scum that pester this fragile little girl...
Listen carefully!
Don't make
Alana cry!

You've been forewarned, if you pursue her again,
Mark my words...
I'll give you Hell.
GET LOST!

That child has premonition,

and that alone is more powerful than being abandoned by her parents

because she's realizing who she really is...

that existence.

There's only me,
who loves you most—
more than anyone else
